*Please note, assistants will guide passengers through immigration, baggage reclaim and customs in accordance with the Meet & Assist Operating Protocol and Health & Safety Policy, and will not interfere with authorities' duties.

**Please note, assistants will follow the Meet & Assist Operating Protocol and Health & Safety Policy.

THE FINE PRINT

Please note that chauffeur services are priced either by the hour for bespoke journeys or as a set fee for popular destinations, as outlined in our tariffs. Bespoke London journeys are based on travel within the M25 and are subject to a 2 or 4-hour minimum charge (depending on vehicle type). Bespoke journeys out of London are subject to a minimum 4-hour charge.

Any amendments or cancellations must be made directly with the concierge team at least 24 hours in advance to avoid a cancellation fee. The Londoner's concierge may be contacted by phone on +44 (0)20 7451 0120 or via email at concierge@thelondoner.com.

For transfers from the airport, your chauffeur will check the latest flight information to avoid unnecessary waiting charges. However, should your flight be delayed without sufficient warning or if your chauffeur must wait for more than 30 minutes due to other delays (such as immigration queues or luggage delivery) waiting charges will be added to the final cost.

Please note there is a 5% credit card handling fee for chauffeur and meet & greet services.
